	This price disclosure is an example based on average prices - your price for electricity service will vary according to your actual usage. For updated TDU Delivery Charges please go to www.ShellEnergy.com . TDU Delivery Charges will be passed through to customers without markup. Some locations may be subject to a TDU Underground Facilities and Cost Recovery charge authorized by their city that is not included in the total average prices shown. For more details, see your TDU service tariff for a listing of cities and authorized charges. This disclosure is applicable to customers that install a rooftop photovoltaic (PV) system. Starting on the date that Shell Energy Solutions receives solar generation data from the TDU, credits will be issued for each kWh of solar energy generated that is not used on-site. The PV system must be connected to the grid by the TDU to receive credits.
